State of Oregon

County of Union ss.

I F. Dobbin being first duly sworn that I am the President and manager of the Little Minam and Little Creek Irrigation Company, a corporation duly organized and existing under the laws of the State of Oregon for the purpose of constructing a ditch or canal for irrigation, domestic uses and stockwatering purposes and other purposes; that the attached map truly and correctly shows the line of ditch or canal of said Company as surveyed and staked upon the ground and the amended or altered line of said ditch as surveyed and plated by engineer Charles M. Foster; that the head-gate has been erected at the head of said amended ditch line and the ditch or canal completed for a distance of about 28 rods westerly therefrom; that the ditch or canal has been constructed and completed from the lower terminus of the same for a distance of about 325 easterly therefrom and the right of way cleared for the entire distance.
