2 COUNTY OF UNION, ss.

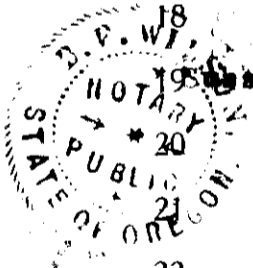

3 I Florence Dobbin being first duly sworn say
4 that I am President of the Little Manam and Little Creek
5 Irrigation Company whose initial map showing the proposed line
6 of its ditch for irrigating purposes, described and represent
7 ed upon the attached map, was filed in the office of the Records
8 of Conveyances for Union County on the ___ day of ____ 1901;
9 that work was commenced upon the said ditch in August 1902 and
10 the excavation of the said ditch was completed in September
11 1907; that in August 1906 at the suggestion of Mr. C. M. Foster
12 Engineer, a considerable amount of work done by said Company
13 was abandoned and the line of ditch changed so as to avoid very
14 expensive rock-work; that by reason of said change the length
15 of ditch was increased over one mile to about 3 1/2 miles, delay
16 ing the final completion thereof, that the amount expended upon
17 said ditch was over the sum of \$6000.00.
