regularly laid out, platted, surveyed, acknowledged and recorded as by law required, but which has never to this day been incorporated. That said addition consisted of 12 blocks, numbered 6 to 14 and 18 to 20 inclusive and subdivided into lots, each duly numbered and with allays and streets therein known and named as at ^{and} E. Scotti, Virginia, George ^{and} Florence, that said Stevensons addition has subtracted and has been regularly treated as a part of said town to this day, and has never been incorporated as provided by law. That it further appears that the petitioners are the absolute owners of blocks 6, 7, 8, 9, 10, 11, 12, 13, 14, 18, 19 + 20, of said Stevensons addition to Elqui, and which said lots and blocks are contiguous with each other, and that no other person has any interest therein or any part thereof, and that the streets above mentioned run and be between said lots and blocks and are not necessary for public easement nor are any of them public highways. That said blocks, lots and streets are not used valuable as residents, business or town property, nor are they marketable as such, but are valuable for agricultural purposes only, and that the prayer of said petitioners should be granted, vacating said streets, lots, blocks, streets and allays. And it appears to the Court that the petition for such vacation was presented to this Court and filed with County Clerk of the County of Union, State of Oregon, more than 30 days previous to the first day of this term of Court and that despite of the insufficiency of this petition in this Court has been duly given and published as required by law, proof of which has been filed herein, that there has been no remonstrance filed herein or cause shown why the said petition should not be granted. This is therefore considered, Ordered Adjudged and decreed by this Court that all of blocks numbered 6, 7, 8, 9, 10, 11, 12, 13, 14, 18, 19 + 20, in M. B. Stevensons addition to Elqui to Union County, Oregon, as layed out, platted, surveyed and recorded in the Record of Deeds and town plat Book of Union County, Records, together with the streets and allays adjacent and belonging thereto, and more particularly described as follows, to wit: That portion of Florence that between blocks 6 and 7.
