

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

(T1N R39E)

J-251

History of original corner establishment:

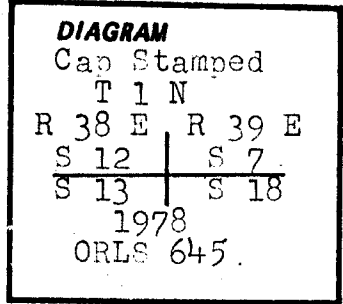

Survey was performed by Timothy W. Davenport, Deputy Surveyor under Contract No. 102, dated July 20 1863. He set a post for the Section corner common to Sections 12, 13 and 7, 18, T 1 N R 38 & 39 E.

The bearing trees were:

A pine 18" dia. bears N 55 E, 165 lks, dist. scribed T 1 N R 39 E S 7 BT.

A pine 36" dia. bears S 22 E, 72 lks. dist. scribed T 1 N R 39 E S 18 BT.

A pine 12" dia. bears N 50 W, 62 lks. dist. scribed T 1 N R 38 E S 12 BT.

Description of corner evidence found:

Found an approx. 18" dia. pine dead and lying on the ground, having a pitch face with scribing visible T 1 N R 39 E S 7 BT.

Found a pine snag approx. 38" dia. having a pitch face with scribing visible T 1 N R 39 E S 18 BT.

Found a badly rotted tree lying down slope from where the original bearing tree stood, no evidence visible of scribing.

Description of monument and accessories established to perpetuate the original location of this corner:

I set a stamped 2½" brass cap in a 30" galv. iron pipe at the location of the Section corner as is determined by the standing 38" pine snag as it would be the most accurate location. The slope is very steep and the actual location of the remaining down bearing is difficult to determine. I placed a large mound of stone about the monument from which I then set the following new bearing trees:

A pine 15" dia. bears N 13 E, 61.38 feet, scribed T 1 N R 39 E S 7 BT.

A pine 9" dia. bears S 81 E, 26.25 feet scribed T 1 N R 39 E S 18 BT.

A pine 10" dia. bears S 74 W, 50.50 feet scribed T 1 N R 38 E S 13 BT.

A pine 13" dia. bears N 68 W, 105.50 feet scribed T 1 N R 38 E S 12 BT.
