

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

This $\frac{1}{4}$ Section Corner was set by deputy surveyor William H. Odell, under Contract No. 120, dated May 27, 1867. He states he set a $\frac{1}{4}$ sec. post, drove a charred stake in a raised mound of stone as per instructions.

Description of corner evidence found:

At the assumed $\frac{1}{4}$ Section Corner location I made a very extensive search over a 200 ft. diameter area composed of only a few large stone solidly implanted in heavy sod and small bush type foliage. I found no trace of any type of a raise mound of stone or any other acceptable evidence of the original corner.

Description of monument and accessories established to perpetuate the original location of this corner:

By using proportioning measurements I relocated this $\frac{1}{4}$ Section Corner and then set a $2\frac{1}{2}$ in. aluminum cap on a 30 in. pipe flush with the surface of the ground. I then placed a mound of stone 3 feet dia. and 1 foot high around the monument. The cap being stamped as shown in the above diagram. I then set two bearing trees and two reference pins being $\frac{5}{8}$ in. x 24 in. iron pins with plastic caps being stamped ORLS 645 and being driven flush to the surface.

References described as follows:

- Iron pin No. 1 bears North, 15.0 feet in a small mound of stone.
- A juniper 17 in. dia. bears N 53 55 W, 143.88 feet, scribed $\frac{1}{4}$ S S 23 BT.
- A Ponderosa pine 3 in. dia. bears S 30 39 W, 92.83 feet, scribed $\frac{1}{4}$ S S 26 BT.
- Iron pin No. 2 bears S 89 00 E, 15.0 feet in a small mound of stone.
- No other bearing trees available.
