

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was originally established by deputy surveyor William H. Odell, under GLO contract No. 120, dated May 27, 1867.

Surveyor General record states:

Set 1/4 Sec. post cor. Dug pits and raised mound as per instructions.

Description of corner evidence found:

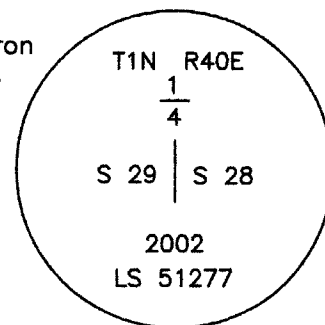

In the area of the record position, I found an ancient fence corner with both a rock jack and a large rock crib, existing fence is E-W-N. An ancient fence runs south, through an old homestead, to another ancient fence corner with large rock jack that fits record position well for the section corner common to Secs. 28,29,32 and 33. This fence has remnants of split rails. Further parole evidence was obtained from life long resident Mr. Billy Hindman.

Description of monument and accessories I established to perpetuate original location of this corner:

I accept the position of the found fence corner as being the quarter section corner. At that position:

Set a 3 1/4 in. dia. alum. cap on a 5/8 in. dia. by 30 in. long iron rod, buried 24 inches in the ground surrounded by mound of stone.

Marked as shown:

From which:

A 5/8 in. dia. by 30 in. long iron rod with yellow plastic cap mkd: ELDER LS 51277 bears N 50° E, 10.0 ft. dist.

A 5/8 in. dia. by 30 in. long iron rod with yellow plastic cap mkd: ELDER LS 51277 bears S 69° E, 33.7 ft. dist.

A 5/8 in. dia. by 30 in. long iron rod with yellow plastic cap mkd: ELDER LS 51277 bears S 56° W, 10.0 ft. dist.

A 5/8 in. dia. by 30 in. long iron rod with yellow plastic cap mkd: ELDER LS 51277 bears N 50° W, 10.0 ft. dist.

I hereby certify that the corner was monumented as described on Oct. 23, 2002 and accessories were taken with a hand compass set at 18 1/2° E. declination and steel tape.
