

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

Z-15

History of original corner establishment:

Corner established in 1863 by Timothy W. Davenport, Deputy Surveyor under Contract No. 102.

Surveyor General's records states:
Set $\frac{1}{4}$ sec. post. Made mound of rock.

Description of corner evidence found:

At assumed corner location I found mound of stone and a large square rock crib placed alongside to the north and west of the corner location. Confirmed $\frac{1}{4}$ cor. location from the east and west along the base line. There is also evidence of an old fence line to the north.

Description of monument and accessories I established to perpetuate the original location of this corner

I set a 2" galv. iron pipe with brass cap approx. 18" above surface of very rocky ground in a large mound of stone $3\frac{1}{2}$ ft. dia. and 2 ft. high. Cap stamped as shown above.

No bearing trees available.
