

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

L-7

History of original corner establishment: Corner originally set by Imbler Orchard Tracts by Arthur Curtis, in april 22, 1910. Survey plat indicates setting a stone monument at the center of section. Center of section corner is 30 feet east on the center of section line from the northeast corner of Imbler Orchard tracts.

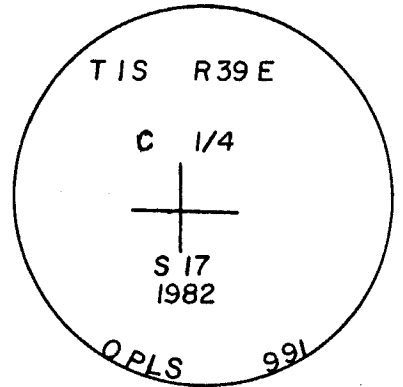

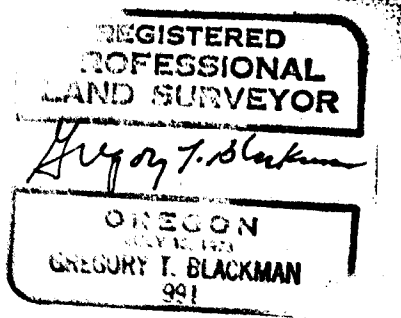

Description of corner evidence found:

Found a basalt stone 14x9x9 and a stone mound at the northeast corner of Imbler Tracts. Monument is located at call distance from the northwest corner of said tracts and on the line from the west 1/4 corner of section 17 to the east 1/4 corner of section 17. Although no stone is called from the plat for the corner of this tract, I feel that there is sufficient evidence to assume that this stone and mound is without a doubt the original northeast corner of Imbler Orchard Tracts.

Description of monument and accessories I established to perpetuate the original location of this corner:

I set a 2 1/2"x12" aluminum pipe with a 3" aluminum cap marked as shown in a water valve box in the pavement of Brooks lane. Monument is set at record distance and on the center of section line from the northeast corner of Imbler Orchard Tracts.

Monument set December 22, 1982.
People present, Rick Robinson and Greg Blackman

Office of SURVEYOR County of UNION

State of OREGON I hereby certify that the within instrument was filed in this office
