

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

L-9

History of original corner establishment: Corner originally set by David Thompson under G.L.O. contract no. 103. Surveyor General notes state; Set post for 1/4 section corner in mound of earth with charred stake, pots and trench as per instructions.

Subsequent survey: County survey number 93 in old survey book of records by J. W. Kimbrell, county surveyor, for P.E. Wade, Sam Brooks and J. S. Clarke in October 22, 1889. Record States:

Set stone 6x12x19 for 1/4 corner between 16 and 17. Kimbrell indicates that he is running north along an existing fence line.

**Description of corner evidence found:**

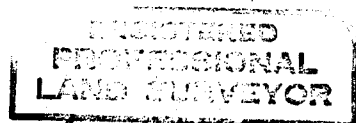

Found remains of a charcoal stake and stone mound. A metal 1" by 4.0 foot fence post set by P.E. Wade set 1.0 feet south. George Royes Jr., grandson of Wade, indicated that his grandfather had placed the post for protection of the corner. I find similar posts at the locations of three other corners within section 17.

**Description of monument and accessories established to perpetuate the original location of this corner:**

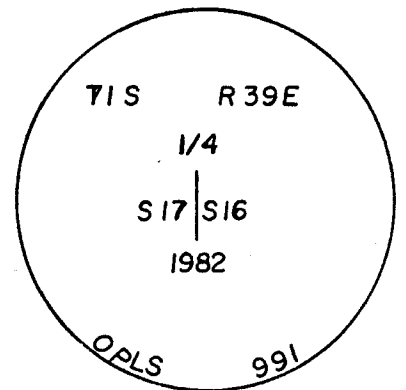

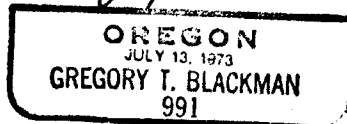

At the charcoal stake location, I set a 1"x30" galvanized steel pipe with brass cap marked as shown, the top 1 foot below the surface, mound of stone above the cap.

A 1" steel fence post bears south 1.0 feet.

Bearing trees impractical.

*Gregory T. Blackman*

Corner set August 5, 1982  
People present; Rick Robinson, Greg Blackman

Office of SURVEYOR County of UNION  
 State of OREGON I hereby certify that the within instrument was filed in this office
