

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

G-13

**History of original corner establishment:**

Corner was established in 1882 by Henery Meldrum, Deputy Surveyor under Contract No. 450. Surveyor General's records state: Set a basalt stone 16 x 8 x 6, 11" in ground,  $\frac{1}{4}$  mkd. on west face and a raised mound of stone along side.

**Description of corner evidence found:**

At assumed corner location, I found a stone filling the GLO dimensions, though I could not find any markings. Also I found a mound of stone with a rock jack along side and evidence of a fence line to the west. After evaluating this evidence, I determined this to be the  $\frac{1}{4}$  cor. location.

**Description of monument and accessories I established to perpetuate the original location of this corner**

I set a 2" galv. iron pipe, 30" long with a brass cap, 18" above surface, in a large mound of stone, with cap stamped as shown above.  
I set two bearing trees:  
A 9" pine bears S  $26^{\circ}$  W, 67.0 feet and scribed  $\frac{1}{4}$  S BT.  
A 10" fir bears S  $47^{\circ}$  E, 4.85 feet and scribed  $\frac{1}{4}$  S BT.
