

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

V-11

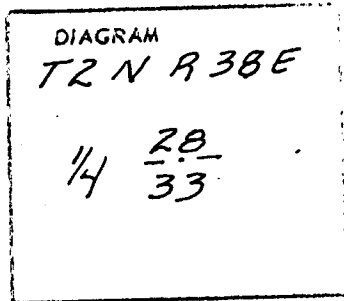

History of original corner establishment:

Corner established by Frank W. Campbell under Contract No. 468 dated April 12, 1883, page 50 of the Government Field Notes.

East between Sections 28 and 33, variation 21° East.

39.87 chains set post 3½' long, 3" square, with marked stone 24" in ground marked ¼ S on North face.

A fir 10" in diam. bears S 09° E 14 lks. marked ¼ S BT.
A balsam fir 26" in diam. bears N 19° W 29 lks. marked ¼ S BT.

No record of subsequent remonumentation found in County Records.

Description of corner evidence found:

I found a rotted stump S 09° E from mound of rocks as described by Don Finley November 22, 1966. Finley description at that date stated that the original marking was visible. At present date, only the rotted stump is remaining.

I found a stone approximately 14" in the ground with marking of ¼ underneath the rock mound. This stone bears N 09° E from the rotted stump as described by Don Finley in 1966.

Description of monument and accessories I established to perpetuate the original location of this corner

I set a 2½" x 30" iron pipe 12" in the ground and raised a 2' rock mound around the iron pipe with a brass cap marked as shown. I placed a stone on the South side of the iron pipe and painted the rock except for marked ¼.

From which I scribed new BTs:

A fir 9" in diam. bears N 17° W 18.05' scribed ¼ S BT.
A fir 14.3" in diam. bears S 49° W 27.8' scribed ¼ S BT.

I nailed a BT poster and attention sign to the BTs.

I nailed steel washers painted red marked PLS 1097 to BTs.

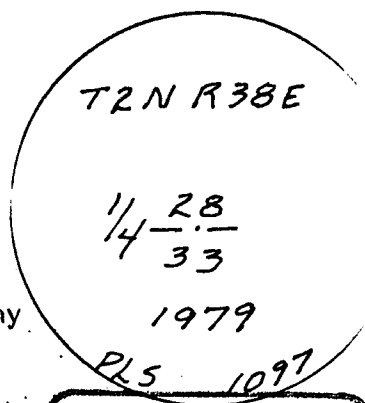

I set steel posts 5' North with boundary sign and 5' South with attention and boundary signs.

I painted red band and scribed blazes of BTs.

I placed a BT poster wired to a rock in rotted stump of original BT.

This corner was set October 12, 1979

Witness by Patrick L. Murphy and Timothy Jorgenson.
