

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

V-15

History of original corner establishment:

Corner established by Frank W. Campbell under Contract No. 468 dated April 12, 1883, page 35 of the Government Field Notes.

South  $89^{\circ}45'W$  variation  $22^{\circ}$  East.

40.10 chains set basalt stone 18" x 9" x 5" 12" in the ground for  $\frac{1}{4}$  marked  $\frac{1}{4}$  on North face.

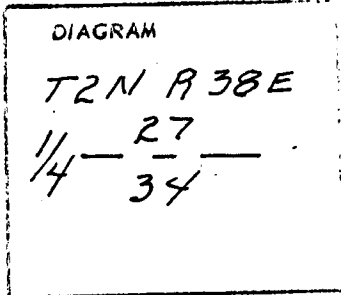

- A pine 30" in diam. bears  $S 49^{\circ} W 233$  lks. marked  $\frac{1}{4}$  S BT.
- A pine 10" in diam. bears  $N 61^{\circ} E 280$  lks. marked  $\frac{1}{4}$  S BT.

This corner was set September 7, 1883.

No record of subsequent remonumentation found in County Records.

Description of corner evidence found:

I found a pine 30" in diam. standing dead with visible scribing.  
 I found a pine 27" in diam. with the blaze closed. I opened the blaze and found old face at 10" in diam., but with no scribing.  
 The bearing to this tree is close and it is probably the original BT.

Description of monument and accessories established to perpetuate the original location of this corner

I set a  $2\frac{1}{2}$ " x 30" iron pipe 12" in the ground and raised a 3' rock mound around the iron pipe with a brass cap marked as shown.

From which I rescribed the BT:

A pine 27" in diam. bears  $N 67^{\circ} E 185.38'$  scribed  $\frac{1}{4}$  S BT.  
 I used the standing dead pine 30" in diam. bears  $S 49^{\circ} W 153.78'$  as there was no other tree available.

I nailed BT posters and attention signs to BTs.

I nailed a brass washer marked PLS 1097 to BT blaze of the BTs.

I set a steel post 3' South with an attention sign.

I painted a red band and scribed blazes of BTs.

I used a staff compass with  $21^{\circ}$  declination and a steel chain, measuring distances horizontally.

I placed a poster 1000' North of corner on a jeep trail.

This corner was set October 4, 1979.

Witness by Patrick J. Murphy.
