Description of monument and accessories I established to perpetuate the original location of this corner

At the position described above, I set a 2½" aluminum cap on a 2½" x 30" aluminum pipe 25" in the ground marked as shown.

From which I scribed BTs:

- A fir 6" in diam. bears S 68° 24' E 7.4' scribed SW 1/16 S 34 BT.
- A fir 12" in diam. bears S 34° 02' W 11.7' scribed SW 1/16 S 34 BT.

I nailed a brass washer marked OPLS 1097 to BT blazes.

I set a steel fence post 5' North with signs 54-2 and 54-4.

I set a fiberglass fence post 5' East with signs 54-2.

I painted a red band around BTs and face of scribe.

I used a steel tape and Wild T-2 and measured a horizontal distance to the center of the BTs.

This corner was set October 29, 1980. Witness by Patrick L. Murphy.

See map of survey.
