

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner not originally established

Description of corner evidence found:

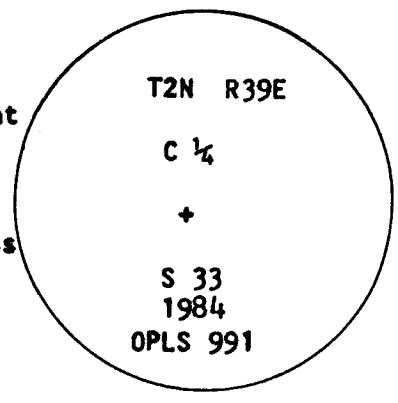

NONE

Description of monument and accessories I established to perpetuate the original location of this corner: At the corner position, I set a 2 1/2 inch x 30 inch aluminum pipe with aluminum cap marked as shown, 30 inches in the ground from which;

New BTs

- A 25 inch diameter P.Pine bears N71°E 89.6 feet marked C 1/4 S33 BT
- A 24 inch diameter P.Pine bears N70°W, 13.0 feet marked C 1/4 S33 BT

I used a steel tape and magnetic compass in the establishment of these accessories. I used 20° East magnetic declination. The distances to the bearing trees are to the center of the tree. I painted a 6 inch red band around the bearing trees and attached a bearing tree sign to each. I attached a brass washer marked OPLS 991 to the BT blaze of the bearing trees.
