Description of monument and accessories | established to perpetuate the

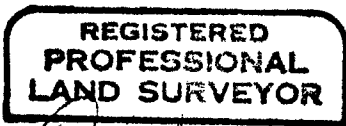

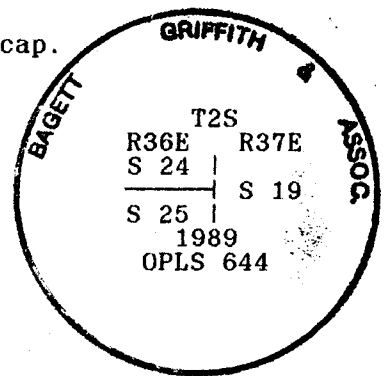

original location of this corner: In place of axle and at record bearing and distance from the above described bearing trees, I set a 2½" x 30" aluminum pipe with aluminum cap marked as shown, 20 inches in the ground, from which:

- New BTs:  
 A 11 inch diameter Ponderosa Pine bears S41°W, 41.65 feet marked T2S R36E S25 BT  
 A 16 inch diameter Douglas Fir bears N55°W, 19.93 feet marked T2S R36E S24 BT

- Painted a 6 inch red band around all BTs and attached bearing tree and land survey monument signs.
- Set a steel fencepost approximately 5 feet North with land survey monument and property boundary signs attached.
- Raised a mound of stone around monument, 4 ft. base to top of cap.

I hereby certify that the above corner point was perpetuated as hereon described on May 24, 1989.
