Description of monument and accessories I established to perpetuate the original location of this corner: At position determined by survey, I set a 2½" x 30" aluminum pipe with aluminum cap marked as shown, 26 inches in the ground, from which:

- New BTs:
 A 11 inch diameter Douglas Fir bears East, 9.69 feet marked C¼ S31 BT
 A 20 inch diameter Ponderosa Pine bears S11°W, 35.02 feet marked C¼ S31 BT

- Painted a 6 inch red band around all BTs and attached bearing tree and land survey monument signs.
 Set a steel fencepost approximately 5 feet North with property boundary and land survey monument sign attached.
 Raised small mound of stone around monument.

I hereby certify that the above corner point was perpetuated as hereon described on December 21, 1988.
