CERTIFIED RECORD OF LAND CORNER MONUMENTATION

HISTORY OF ORIGINAL CORNER ESTABLISHMENT:

Corner originally established by Timothy Davenport under GLO contract number 102, dated January 12, 1863. Surveyor General records states:

Set a post in mound of earth with charcoal stakes and pits as per instruction.

Old Survey book page 185 shows county surveyor J. Kimbrell as finding the post originally established

Old book survey No. 118, page 261 dated 1890 by Curtis, calls the corner 347.3 feet at an angle of $75^{\circ}34'$ from RR sta. 459+24

T 2 S R 39 E A-05

S 6

Description of corner evidence found: No evidence found.

See Survey No.011-2000
DESCRIPTION OF MONUMENT AND ACCESSORIES I ESTABLISHED TO PERPETUATE THE ORIGINAL LOCATION OF THIS CORNER:

At the position established by Curtis in the old book survey on page 261 and the intersection of Hays road and Jansen Lane, I set a $2 \% \times 30$ " aluminum monument with cap marked as shown below, 40" in the ground from which;

NEW BEARING OBJECTS:

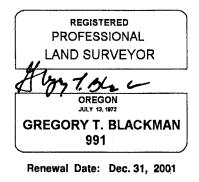

A 5/8"x 30" Iron rebar with aluminum cap bears N27°23'29"E, 45.89 feet, marked NE RP.

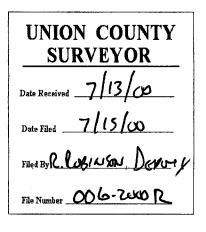

A P.K nail 1 foot above ground in Power Pole #036050199 bears S32°39'40"E, 40.43 feet.

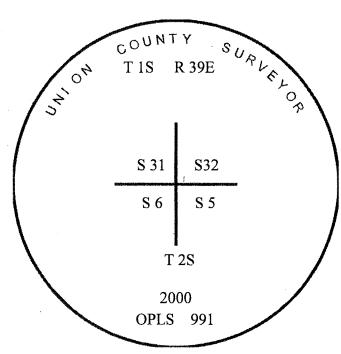

A P.K nail 1 foot above ground in Power Pole #036069999 bears S22 $^{\circ}43'49"W$, 56.36 feet.

A 5/8"x 30" Iron rebar with aluminum cap bears N37 $^{\circ}$ 41'50"W, 22.97 feet, marked NW RP.

I hereby certify that the corner was monumented on March 21, 2000. Witness: Norbert Volny and Greg T. Blackman ${\tt Jr.}$

I used a Leica TCA 1100 total station and circular prism in the establishment of the new accessories. The basis of bearing is the same as that used in Old Book Survey page 261, the distances are to center of cap unless otherwise noted.
