

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

HISTORY OF ORIGINAL CORNER ESTABLISHMENT:

None.

DESCRIPTION OF CORNER EVIDENCE FOUND:

None.

DESCRIPTION OF MONUMENT AND ACCESSORIES I ESTABLISHED TO PERPETUATE THE ORIGINAL LOCATION OF THIS CORNER:

At the proper position computed per the 1973 Manual of instructions I set a 1" x 24" iron rebar with a 2" aluminum cap flush with the surface of the ground. The cap was stamped as shown below.

I marked two bearing trees. Each bearing tree has a copper nail with a 1 1/8" head stamped WTS and 56295LS driven between the letters B & T. Measurements were taken to the dent in the head of the nail with a Trimble 5601 electronic total station. Bearings are based on the survey control for County Survey No. 032-2004.

A 10" Ponderosa Pine bears N28°50'31"E, 114.85', scribed E1/16 S31 BT.
An 11" Ponderosa Pine bears N72°30'00"E, 35.03', scribed E1/16 S31 BT

I hereby certify that the above corner point was established as hereon described on August 27, 2004.
