Description of corner evidence found:

I found an 8' fir stump 36" in diam. as called for with scribed area open and visible on NE face, SE face, and SW face. NW face was not open. Stump is rotten at base and leaning over.

I found two of the called for BTs.

- A fir stump 36" in diam. bears S 50° W 13.20' with R 38E S 35 visible.
- A fir stump 30" in diam. bears N 60° W 13.20' with T 4N R 38E S 25 BT visible.

I removed the rotted stump, set a monument in its place at the called for distance for the BT.

Description of monument and accessories I established to perpetuate the original location of this corner

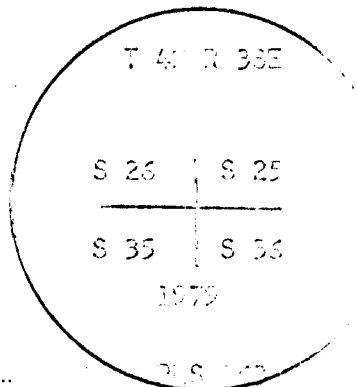

At the position described above, I set a 2½" x 30" iron pipe 25" in ground with brass cap marked as shown.

From which I scribed new Bearing Trees:

- A white fir 13" in diam. bears S 69° E 45.10' scribed T 4N R 38E S 36 BT.
- A white fir 21" in diam. bears S 23° W 28.90' scribed T 4N R 38E S 35 BT.
- A fir 15" in diam. bears N 50° W 55.00' scribed T 4N R 38E S 26 BT.

I nailed a brass washer marked PLS 933 to the BT blazes. I set a steel post 3' E of corner with Signs 54-2 and 54-4. The corner is NW about 225' from a cabin. I painted a 6" red band around BTs with tags. I used steel tape and magnetic compass with 10° East variations, measured a horizontal distance to the center of BTs.

This corner was set November 10, 1978. Witness by Patrick L. Murphy.
