

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

Z-1

History of original corner establishment:

Corner established by George S. Perskin, under Contract No. 304, dated September 19, 1878, page 34 of the Government Field Notes for Township 4 North Range 38 East

East on South boundary of Section 36.

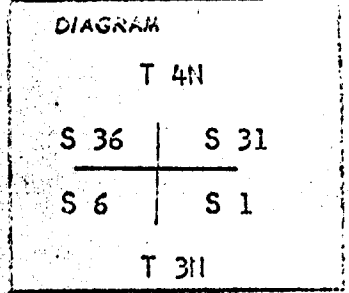

80.00' set basalt stone 18" x 8" x 6" for corner.

- A fir 14" in diam. bears N 56° E 98 lks.
- A pine 12" in diam. bears S 44° E 110 lks.
- A pine 15" in diam. bears S 58° W 95 lks.
- A fir 10" in diam. bears N 38° W 108 lks.

No record of subsequent remonumentation found in County Records.

Description of corner evidence found:

- I found a stone scribed 4N 39E with notches on all corners.
- I found the remains of BT S 58° W, 95 lks. The tree was down, and there was no visible scribing.
- I found BT S 44° E, 110 lks., in good condition. (Now S 42° E 70.6'.)
- I found BT N 38° W 108 lks. in good condition. (Now N 40° W 71.72'.)

Description of monument and accessories I established to perpetuate the original location of this corner

From the positions above, I set a 2 1/2" x 30" iron pipe 10" in the ground, set a corner stone along side iron pipe, and raised rock mound around iron pipe. Scribing is still visible on corner stone along iron pipe. Iron pipe has brass cap marked as shown:

From which I scribed new bearing trees:

A fir 30" in diam. bears N 47° E 76.5' scribed T 4N R 39E S 31 BT. No tree was scribed to replace SW BT as SW and SE are in Sec. 1.

I nailed a brass washer to BT blaze and scar of original BT. I set a steel post 2.5' East with attention sign. I painted red band and blazes and nailed BT and Attention signs to all BTs. I used steel tape and magnetic compass with 20° East declination and measured horizontal distances to center of BTs.

This corner set June 19, 1979. Witness by Patrick L. Murphy.
