**Description of monument and accessories I established to perpetuate the original location of this corner**

At the position of the corner I set a 2" galvanized pipe 30" long with a bronze cap on top and 8" plate welded to bottom. The pipe set to a depth of 10" and raised a stone monument around the pipe.

I stamped the disk

From the monument the original trees are;

A pine 17" in diam bears S40°E 23 lks dist.; A pine 18" in diam bears N50°W 26 lks dist.

I set the following new bearing trees; A pine 17" in diam bears N48°E 30.6 ft. dist marked T4S R36E S13BT; A pine 15" in diam bears S55°W 57.6 feet dist marked T4S R36E S23BT; (distances measured to BT scribe on respective trees and marked with a scribe)

I set a steel fence post with USFS sign 54-4 attached. I placed a USFS National Forest Boundary sign on the post indicating National Forest land to South.

USFS bearing tree signs were placed on bearing trees shoulder high facing the corner.

Office of.....Co. Surveyor..... County of..... Union.....  
State of.....Oregon....., I hereby certify that the within instrument was filed in this office  
for record on the 9 day of Sept. 1959, at 9 o'clock A. m., (signed)  
..... Co Surveyor ..... by *James G. Voelz* .....  
(COUNTY OFFICIAL) (DEPUTY)
