### RTIFIED RECORD OF LAND CORNER MONUMEN .TION

### HISTORY OF ORIGINAL CORNER ESTABLISHMENT:

Corner originally established by Herman D. Gradon under GLO contract Number 452, dated June 6, 1882. Surveyor General record states: Set a basalt stone 12x12x6", 8 ins. in the ground for cor. To secs 2, 3, 10 + 11, marked with 5 notches on S and 2 notches on E edges and raised a mound of stone alongside.

Stone previously found by Duane Griffith and Norman Paullus, Jr. Circa 1977 as part of the La Grande Watershed pipeline retracement. The corner was not monumented at that time.

#### DESCRIPTION OF CORNER EVIDENCE FOUND:

I contacted Mr. Paullus, and he directed me to the stone and mound. Found a stone of call size, but found no discernable marks on the stone. Mr. Paullus testified that this was indeed the stone found in the retracement work done circa 1977 and that they did find marks on the stone at that time.
