

**CERTIFIED RECORD OF LAND CORNER MONUMENTATION**

T 4S, R 37E., W.M.

Corner Code No. T-23  
Note: Monument marked as shown below

**History of original corner establishment:**

None. The corner was established as part of this survey.

Corner No.  
Compass Declination: 19.0° E

**Description of corner evidence found:**

None.

<b>UNION COUNTY SURVEYOR</b>
Date Received <u>1-5-89</u>
Date Filed <u>1-6-89</u>
By <u>G. LANGLITZ, DEPUTY</u>
File No. <u>33-89 R</u>

**Description of monument and accessories established to perpetuate the original location of this corner:**

The corner point falls 5 feet South of the centerline of Road 4305, in a rock fill. Without a backhoe, it would take a considerable amount of time to bury a standard monument with the top 6" below the road surface. So, at the corner point, I set a 18" by 5/8" iron rod, with 1 1/2" aluminum cap marked as shown in diagram. The top of the aluminum cap is 6" below the road surface. I also set a 2 1/2" by 30" aluminum pipe, with 2 1/2" aluminum cap, as a witness corner monument, S 0°41' 49"W a distance of 20.00 feet from the corner point. The witness corner monument is set 24" in the ground and surrounded with a mound of earth and stone. Two bearing trees were marked to reference the witness corner monument:

A 10" lodgepole pine bears S61 1/2°E 53.6' scribed "X" at breast height and "BT" at base.  
A 17" Englemann spruce bears S0 1/2°W 61.1' scribed "X" at breast height and "BT" at base.  
Bearing trees have a brass washer stamped PLS 1106 nailed to face of blaze. Attached sign 54-3 and 54-9 and painted face of blaze and a 6" red band around each bearing tree. Set steel fence post 3.0 feet South of witness corner monument and attached sign 54-9.

Witness corner cap is marked:
