Description of monument and accessories I established to perpetuate the original location of this corner

At the position of the rock I set a 2" galvanized pipe 30" long with bronze cap on top and 8" plate welded to bottom. The pipe set to a depth of 30" and back filled with stone and soil. I placed the stone on south side of pipe.

I stamped the disk

From the monument the following new bearing trees are;

A pine 22" in diam bears N70°E 136.9 ft. marked T5S R35E S24BT;
A pine 19" in diam bears S50°E 85 ft. dist marked T5S R35E S25/BT;
A pine 13" in diam bears S63°W 24.6 ft. dist marked T5S R35E S26BT;
A pine 18" in diam bears N23°W 51 ft. dist marked T5S R35E S23BT;
Distance measured to center of trees and marked with ascribe.

I set a steel fence post with USFS sign 54-4 attached. National Forest boundary sign was placed on the post indicating National Forest land to North. USFS bearing tree signs were placed on the bearing trees shoulder high facing the corner.

Office of.....Co. Surveyor..... County of..... Union.....
State of..... Oregon....., I hereby certify that the within instrument was filed in this office
