CERTIFIED RECORD OF LAND CORNER MONUMENTATION

Closing Corner of Section 30 & 31, T.5S., R.42E., W.M.

History of original corner establishment:

The corner was originally established by **James P. Currin**, U. S. Deputy Surveyor, Contract Number 693, during **1899**. His record states: "Intersect W. bdy of Tp. 196 lks N. of cor to sec. 25-30-31 and 36." "I set a pine post 4 ft. long 4 ins. square, 16 ins. in ground for closing Cor. bet. Secs. 30 and 31. marked T.5S. S.30 on N. side. R.42E. S.31 on S. side. C.C. on E. side. From which

A Tamarack 10 ins. diam. bears N 67° E, 31 lks. dist marked T.5S. R.42E. S30. C.C. B.T. A Tamarack 10 ins. diam. bears S 56° E, 48 lks. dist. marked T.5S. R.42E. S.31. C.C. B.T."

1991, Philip G. Griffin, Cadastral Surveyor, BLM, conducted a dependent resurvey in this township, at 1.980 chains, N. 0° 18' 00" W., of the sec. cor. of sec. 25 & 36 only, T. 5 S., R. 41 E., his record states:

"From this point, the original closing cor. of sec. 30 and 31, T. 5 S., R. 42 E., bears East, 0.053 chs. dist., determined at record bearing and distance from the remains of the original bearing trees:

A larch, 13 ins. diam., bears N. 67° E., 31 lks. dist., with scribe marks 30 legible on opened blaze. A root wad, bears S. 56° E., 48 lks. dist., with larch log alongside, 10 ins. diam., with fragmentary scribe marks legible on partially healed, rotting blaze.

At the corner point

Set a stainless steel post, 28 ins. long, 2 1/2 ins. diam., 22 ins. in the ground, with brass cap mkd:" (As shown in the diagram above.)

from which a new bearing tree

A larch, 22 ins. diam., bears S. 37° E., 61 lks. dist., mkd. T5S R42E S31 CC BT."

Deposit a white "DEEP-1" magnetic marker at the base and set a 6 ft. steel fence post alongside the stainless steel post."

Description of corner evidence found:

At a point 130.37 ft., N. 1° 12' 03" E., of the sec. cor. of sec. 25 & 36 only, T. 5 S., R. 41 E., I found:

A stainless steel post, 2 1/2 ins. diam., 6 ins. above the ground, with brass cap marked as shown in the diagram above.

from which original bearing trees:

A larch, 13 ins. diam., bears N. 67° E., 20.5 ft. dist., with scribe marks "30" legible on opened blaze.

A root wad, bears S. 56° E., 31.7 ft. dist., with fragmentary scribe marks legible on partially healed, rotting blaze.

from which bearing tree established by Griffin:

A larch, 22 ins. diam., bears S. 37° E., 39.4 ft. dist. (record 40.3 ft.), marked "T5S R42E S31 CC BT,"

Found a 6 ft. steel fence post alongside the stainless steel post with a Land Survey Monument sign.

Continued on page 2.

Closing Corner of Section 30 & 31, T.5S., R.42E., W.M.

Continued from page 1.

Description of monument and accessories I established to perpetuate the original location of this corner:

I set steel post with a Property Boundary sign, West, 3.4 feet from the monument (on the National Forest property boundary line).

I hereby certify that the above corner was perpetuated by me and my crew on September 29, 1997.

Compass declination used 18 1/2° East.

See also, filed survey plat.

Witnessed by crew member: Roanna K. Ruston
