To the How County Court of
Union County, Oregon

We the undersigned viewers
appointed to view, survey and
locate a proposed change in
what is known as the Pyle
Canyon County road submit
the following report.

We met on the ^{clay} ~~main~~ in
your order to wit. the 19th day
of May A.D., 1880 and after
being first duly sworn in
company with the Surveyor
proceeded to view, survey and
locate said change as directed
and as shown by the Surveyors
report and plat submitted
herewith. We find the distance
on the proposed route to be 990
rods and on the road as now
traveled to be 890 rods

Taking into consideration the
fact that it will take but little
work to put the proposed route
in good traveling condition
and the convenience to the owners
of the land over which the proposed
change is located we are of

the opinion that the change
ought to be granted. All of
which is respectfully submitted,
