In the matter  
 of the petition for  
 appropriation on  
 Powder River bridge

On this day was presented a petition of the citizens living in the vicinity of the Powder River bridge praying for an appropriation to be used in repairing said bridge and in appearing to the Court that said appropriation should be made, and the County Court having been satisfactorily guaranteed that the County Court of Baker County would appropriate the sum of \$150 for said purpose. It was ordered that an appropriation of \$150.00 be made for the purpose of repairing said bridge and that Walter S Love be appointed as Supervisor of said work and that he disburse said appropriation and report his doings therein to this Court.

Whereupon the following bills were allowed
