To the Hon County Court)
of Union County Oregon.)

The undersigned would respectfully state your Honors - That a County road has recently been surveyed commencing at Lostine, Wallowa valley and running by the way of "Front Creek" Alder and to Sheep Creek. (The correct callings I am unable to give at this time). Said road runs through my land. which if established as a County road will in addition to other damages ~~will~~ cause me to have to build one half mile of fences. which fences will not only be useless to me but will be an actual injury, cutting my pasture into incumberment parcels. And I take this method of notifying your Hon body. That I shall claim damages. (Should the road be located) in the sum of (\$200.) two hundred dollars. and will at your next term present my claim in due form. Very Respectably Yours &c. R. W. Bloom

To The Honorable County
Board

Gentlemen I would
respectfully ask you to allow
me a bill of damages to the
amount of four hundred dollars
damages as follows to it - The
Newly laid out road will cause
me to make two miles of fence,
that I would not have to build if
the road did not run thru my
place, - 2nd it runs thru 9th
of my plow ground, 3rd it runs
thru the best timber I have on
my place and 4th it runs thru
my turkey meadow, said road
commences south of Allen, then
east running on the line between

Sections 11 and 12 Township 2
South of Range 44th Thence
east to James Pratts

I will further say if you will make
a jog at the south west corner
of Sect 12 one $\frac{1}{4}$ of a mile north
thence east one mile thence
south $\frac{1}{4}$ mile to the bottom line
I will give one half of the road
around my place free of charge
I would much rather you would
accept my proposition than
to have the \$400 damages
