At this time comes William McKinnell, who presents to the Court the petition of himself and 43 others, asking that a County road be laid out and established, as follows, to-wit: Beginning at a point at or near the N.W.4 of the S.W.4 Sec. 16, T. 8, S.R. 46, E. W. M thence in a northwesterly direction through Section 8, through or near to the S.W. Now at this time this cause came on to be heard upon the motion of A. W. McKinnell, et al, where the same angles across the S.W.4 of Sec. 31, Tp. 8, S. Of R. 46, E. W. M. the said A. W. Motley appearing by T. H. Crawford of counsel and it appearing to the Court that the portion of said Wm. McKinnell Road from the point the survey thereof enters the South Line of the S.W.4 of said Sec. 31, to the point where said survey leaves said S.W.4 on the west line thereof, has not been opened to public travel, that there is a legally established County Road extending from the point where said McKinnell Road survey enters the south line of said S.W.4 of said Sec. 31, thence west to the S.W. travelled as a part of said McKinnell road, and that the same fully meets and accomodates the public convenience and travel thereon, without materially increasing the distance thereon, to the injury of the public, and that to open said McKinnell Road through said S.W.4 of said sec. 31, would greatly injure and damage said A. V. Motley the owner thereof, and would be of no appreciable benefit to the public; and the Court being now fully advised, as to the law, the facts and the premises herein, it is therefore ordered that all that portion of the survey of the County Road in Union County, Oregon established upon the petition of Wm. McKinnell et al. between the south line of the S.W.4 of Sec. 31, T. 9, S.R. 46, E. W. Remonstrance.

To the Hon. County Court of Union County, State of Oregon:-

The undersigned would represent to your hon. Body that the County Road lately surveyed by order of the County Court, in Pine Valley, Union County, State of Oregon, runs through my land to the great damage of the same as it runs cater cornered through three forties of my land, thereby throwing the same in very bad shape for cultivation and causing a great amount of work and loss of ground for cultivation, and further I do protest and object to give the right of way for said road and that a good road can be made by following the line without materially lengthening the distance to travel on the same.

Wherefore, I respectfully ask your hon. body to appoint a commission (if you accept the report of the viewers) to assess the damages I may sustain by the location of said road, and for such further relief as may be just and lawful in the premises.

To the Hon. County Court, of Union County, Oregon:-

The undersigned having been appointed viewers to locate a County Road, beginning at a point near the N.W.4 of S.W.4 of Sec. 16, T. 8, S.R. 46, E. W . M. thence in a northwesterly direction nearly parallel with Pine Creek, and intersecting the Union and Cornucopia Road, in Sec. 23, T. 7, S.R. 45, E. have attended to the duties thereof, and beg leave to "report" We met at the time and place appointed and first being duly qualified proceeded to view, locate and cause to be surveyed the road as nearly as possible, with the orders of the Court. We hereby recommend the line of road as surveyed for the following reasons, viz:

1st:- It is the best natural roadbed in Pine Valley, being for the most part located on coarse gravelly land.

2d:- It is in a nearly direct line from Pine Valley P.O. to Cornucopia, and will accomodate the public generally and the settlers in the vicinity better than any other road.

3d:- The road can be constructed and kept in repair at very little expense.

Hon. O. P. Goodall,  
County Judge, of Union County,

Dear Sir:-

Mrs. Perry, the wife of Samuel Perry is in our City she represents that the proposed road, if established, will be a great damage to his land, and that there is now an established County Road on the west of his land, also one on the south line of his land, and now to run one through it more than he feels willing to stand, and that he gives<sup>v</sup> the right of way for the half of the road<sup>s</sup> on west and south, but is not willing to give it through his land, as the road could be run on either of the roads already established without any detriment to the community at large, and a great saving of expense to himself, as well as a saving of land, they therefore ask that a commission be appointed to assess the damage it will be to himself and neighbors, by such establishment of road. Mr. Perry was here a short time ago, and I advised him to attend your Court, at the time the report of viewers was filed, and make his objections, but his wife informs me it will be impossible for him to attend on account of his business, and I suppose a formal application for a commission, and his objections will be sufficient, and the same of Mr. Painter, You will please have this application filed and bring it before your Court.

Yours very respectfully,

G. W. Parker,

No filing)

To the Honorable County Court of Union County, State of Oregon:-  
The Undersigned petitioner, a citizen of the United States and a resident of Union County, Oregon, respectfully represents to your honorable Body, that the County Road lately surveyed and laid out by order of your body, running through my land, to-wit: the South half of the northeast quarter and the east half of the southeast quarter of section 36, township 7, south of range 45, E. of the Will. Mer. Containing 160 acres if established will be of incalculable damage to me, for the reason that it will throw my land in a very bad shape, and running two strings of fence where none is needed and by a very slight change in the survey of the road the interest of the public would be equally accommodated, and be on as good ground and but very slight increase of distance, and there are three other county roads established adjoining and near the said proposed road.

I would therefore respectfully ask your hon. Body to appoint a commission according to law, to assess the damages I may sustain by the establishment of the said County Road. (Which I consider incalculable) and to the establishing of which I most respectfully and decidedly object, and your petition as in duty bound will ever pray.

Pine Creek, Union County, Oregon, June 20th, 1887.

To the Hon. County Court of Union County, State of Oregon:-

The undersigned petitioner, citizen of the United States, and a resident of Union County, Oregon, respectfully represents to your hon. Body that the County Road lately surveyed and laid out by order of your body running through my homestead entry, to-wit: S.1/2 of N.W.1/4 & N.W.1/4 of N.W.1/4 of Sec. 6, T. 8, S.R. 46, E.W.M. will be, if established of great damage to me for reason of the same running diagonally through my land, and throwing it in a very shape for cultivation, and requiring additional work and greatly injuring me.

I therefore ask your honorable Court to appoint a commission to assess the damages I may sustain by reason of the establishment of said road, according to law, and your petitioner will ever pray, etc.

Samuel Painter.

To the Honorable County Court of Union County, State of Oregon:-  
Dr. Sirs:-

Feeling myself greatly agrieved and damaged on behalf of a certain County Road as surveyed and located by the viewers your honorable Court appointed and ordered to review and survey Mr. Bennehoff, and John Fewell, of Eagle Valley, Union County, State of Oregon, as viewers, the said road petition being signed by McKinnell, and others, now therefore, I feel that I am greatly agrieved and damaged by the location of the said County Road, as it runs in a northwesterly direction through my premises, which are the southwest 1/4 of Section No. 31, in Township No. 7, south of range No. 46, East of Willamette Meridian, Pine valley Road District No. 20, Union County, Oregon. Now therefore, I most emphatically protest against the location of said road, and if the said above described County Road is granted and located by your honorable Court, that it will damage me and the said property to the amount of at least (\$500.00) Five Hundred Dollars, in United States of America Gold Coin, which I with due respect to your honorable Court duly demand.

Pine Valley, Road District, No. 20, Union County, State of Oregon. June 20, A.D. 1887.

Yours with due respect.

Now at this time comes A. W. Motley, and by this his petition shows to the Court that he is the owner of the S.W.4 of Sec. 31, Tp. 7, S. of R. 46, E. W. M.

That the County Road known as the Wm. McKinnell, et als. road as viewed and established extends quartering across said lands That petitioner is desirous of turning said road through another part of his said lands as follows, to-wit:-

Beginning at the point where said road intersects said land on the south line thereof, thence west along the south line of said lands to the southwest corner thereof, thence north on the west line thereof to the point where said road leaves said land in the west line thereof. That said change will placesaid road on as good ground as it now occupies and will not materially increase the distance to the injury of the public.

That said change will place the road its entire length upon a legally established, opened and travelled public road, and will confine said road to the line of travel pursued thereon by the public since its establishment.

Wherefore your petitioner prays that he be permitted to turn said road through his lands as above indicated and that the same be declared a public highway and that so much of said road as is embraced in said change be vacated.

W. Motley this court thereupon appointed W<sup>m</sup> Nash, Eli Chandler and Louis Ferguson to view said premises and appraise the damages that would accrue to said claimants by reason of the establishment of said road, and the further consideration of the matter was continued till this term of this court.

And it appearing to the court that said appraisers have performed their said duty and filed in this court their verified report from which it appears that said claimants will be damaged not at all by the establishment of said road and the said reports of viewers and surveyor having been read now in open court for the second time as required by law and said viewers having reported favorably and recommended that the road be established as petitioned for, viewed, and surveyed. And no other remonstrance, or claims for damages having been filed herein, and it further appearing to the court that all the proceedings herein have been regular and according to law. It is therefore ordered by the court that said reports be received and placed on record, and that said road be declared a public highway and opened according to law.

road beginning at a point near the NW<sup>1/4</sup> of Sec 16, T8S R 46 E. N. W. Thence in a North Westerly direction nearly parallel with Pine Creek and intersecting the Union and Cornucopia road in Sec 23 T7N R 45E have attended to the duties thereof and beg leave to report:-

We met at the time and place appointed and first being duly qualified proceeded to view locate and cause to be surveyed the road as nearly as possible with the orders of the Court. We hereby recommend the line of road as surveyed for the following reasons, viz:-

- 1<sup>st</sup> It is the best natural road bed in Pine Valley being for the most part located on coarse gravelly land.
- 2<sup>nd</sup> It is in a nearly direct line from Pine Valley P.O. to Cornucopia, and will accommodate the public generally and the settlers in the vicinity better than any other road.
- 3<sup>rd</sup> The road can be constructed and kept in repair at very little expense.

County Fund to the County Contingent Fund. It is therefore considered and ordered that the County Treasurer be instructed to transfer the sum of \$500- from the General County Fund in his hands to the County Contingent Fund.

In the matter of the  
County Road established  
upon the Petition of W<sup>m</sup>  
McKinell et al.

Now at this time this cause came on to be heard upon the motion of A. W. Motley to vacate that portion of the Survey of that certain County road in Union County Oregon established upon the petition of W<sup>m</sup> McKinell et al. where the same angles across the S.W.<sup>4</sup> of Sec 31 T<sup>7</sup> S of R 46 E. N. M., the said A. W. Motley appearing by J. M. Crawford of Counsel, and it appearing to the Court that the portion of said W<sup>m</sup> McKinell road from the point the survey thereof enters the South line of the S.W.<sup>4</sup> of said Sec 31 to the point where said survey leaves said S.W.<sup>4</sup> on the West line thereof has not been opened to public travel, that there is a legally established County Road extending from the point where said McKinell Road Survey enters the South line of said S.W.<sup>4</sup> of said Sec 31 thence West to the S.W. corner of said S.W.<sup>4</sup> of said Sec 31 thence North to the point where said survey leaves said S.W.<sup>4</sup> of said Sec 31 on the West line thereof, that said last named road is opened to public travel and is being used and traveled as a part of said McKinell road and that the same fully meets and accommodates the public convenience and travel thereon without materially increasing the distance thereon to the injury of the public and that to open said McKinell road through said S.W.<sup>4</sup> of said Sec 31 would greatly injure and damage said A. W. Motley, the owner thereof, and would be of no appreciable benefit to the public; and the Court being now fully advised as to the law, the facts and the premises herein. It is therefore ordered that all that portion of the Survey of the County Road in Union County Oregon established upon the petition of W<sup>m</sup> McKinell et al between the South line of the S.W.<sup>4</sup> of Sec 31 T<sup>7</sup> S R 46 E. N. M. and the West line of the S.W.<sup>4</sup> of said Sec 31 and extending across and over said S.W.<sup>4</sup> of said Sec 31 be and the same is hereby vacated, set aside and held for naught.
