D. Ruckman, from which it appears that said Circuit Court sustained said writ as to all proceedings of this Court subsequent to the filing of plaintiffs affidavit and motion for leave to prove that notices of the presentation of the petition to establish said County road had not been posted as by law directed including said motion and that said proceedings including and subsequent to the filing of said affidavit & motion were reversed, and said matter was remanded to this Court for further proceedings in conformity with said judgment. In the Matter of the proposed }
County Road petitioned for }
by M. D. Honan et al

This matter came on to be heard at this time upon the reports of viewers and surveyor heretofore appointed herein, and said reports are now read in open court. And it appears to the Court that said reports are favorable and that the said Viewers recommend that said proposed road be established and declared a public highway. But it appearing that certain claims for damages have been filed herein by Thomas M. Connell and Oliver Shafer, which claims were filed before the last regular term of this Court and three disinterested householders to wit: G. G. Gray, George Wilhelm and Jackson Wright were appointed to view said premises of said petitioner and report to this Court how much less valuable the premises of said claimants will be rendered by reason of the establishment of said proposed road, and said appraisers, after being first duly sworn to faithfully and impartially discharge their said duties have returned to this Court their report in writing, from which report it appears that said claimant Oliver Shafer would be damaged not at all by the construction of said proposed road and that said claimant Thomas M. Connell would be damaged \$200.00 by reason of the said proposed road and it appearing to the Court that said proposed road is of sufficient public utility to warrant the County Court in ordering the same paid from the County Treasury, It is so considered and ordered. And this matter is laid over for a second reading on some other day of this term.
