of John Gaddis to connect with } Damages  
the County road at H. Robbs. }

To the Honorable County Court of Union  
County Oregon your complainant and Frederick  
Prochelle would respectfully represent  
by way of complaint, that he is the owner  
of and in the possession of the following  
described tract of land to wit the East  
half of the west half of Section 32 in Township  
2 South of Range 28 East of the Willamette Meridian

That the proposed road leading from the North  
end of the bridge across the river at Orick, by way of John Gaddis  
to intersect the County road at  
H. Robbs

As viewed and and reported  
to this court by J. A. Schulers of ground and  
Geo. Baker viewers at this  
term of your court passes through said tract  
of land that said tract of land is valuable  
and used for farming purposes, and  
that the laying out and opening of said  
proposed road through said land as  
viewed and reported will greatly diminish  
complaint by necessary said lands  
and premises of greatly reducing value  
that the value of said lands and  
premises will be reduced in value

by the opening of some professional work  
in the full sum of one thousand  
dollars in coin

Therefore Complainant asks that  
a view of said lands and premises  
be had and his damages be  
assessed by law directed
