Hon. Co. Court,

Union Oregon.

We enclose herewith the petition and other papers to the County Court asking for a county road on the route described therein. The road asked for is directly across the valley (Eagle) from east to west, at about the center, and is very much needed by the residents of the southern part of the valley as the only Co. road now passes through the northern part of the valley near the foot hills. The road will be but little expense to the County, as we think the work of the signers of the petition (1 day each) will open up the road. Everybody on the line of the road desire it, as the road will pass through school district No. 47 about the center. The school house of said district being on the line of the road asked for, to-wit: On the southwest corner of the northwest quarter of section 24 Town. 9 Range 45. this route will be the only road leading to the school house. It is now 1/2 miles from the nearest county road. This route will give us in the southern part of Eagle Valley and opening to Pine Valley about four miles nearer than following present public highways. Trusting your honorable body may deem it advisable to grant the request of petitioners. We are very Respectfully your obt. servts.

C.T. Wise,

R.W. Makinson.
