And it appearing to the Court that said petition is signed by more than twelve householders of this County residing in the vicinity of said proposed road and that said petition properly specifies the place of beginning intermediate points and place of termination of said road and it satisfactorily appearing to the Court that notice has been given by advertisement posted at the place of holding County Court to-wit at the Court House in Union County of Union State of Oregon and also in three public places in the vicinity of said proposed road to-wit: one on S.
