In the matter of  
the County Road

J. L. Cairnes et al

Now at this time comes  
James McBooy and alleges  
and shews to the Court  
that he is the owner of  
the S<sup>2</sup> of the N<sup>8</sup> + the S<sup>8</sup> of  
the N<sup>4</sup> of Sec 2 T<sup>3</sup> S. R<sup>38</sup>  
W. M. in Union Co. Or. and  
that the above entitled County  
Road petitioned for by J.  
L. Cairnes et al, as viewed  
surveyed and laid out  
extends across the south  
side and the West end  
of said lands a dis-  
tance of one mile and  
seeks to encumber and  
appropriate for said  
Public road a strip of  
said land 30 feet wide  
and one mile long  
amounting to about 4 Acres  
That said land is first  
class agricultural land  
and it will worth the sum  
of \$75<sup>to 80</sup> That the opening  
of said proposed road  
as a public highway

1 will necessitate the erecting  
2 and maintaining by claimant  
3 of one half mile of additional  
4 fencing and the removal  
5 and resetting of about  
6 one half mile more fence  
7 sing in order to keep  
8 said land enclosed  
9 at a cost to claimant of  
10 about \$275<sup>00</sup>

11 That said land is two  
12 meadow lands that annu-  
13 ally overflow by high water  
14 from Grand Bend River  
15 and at high water stages  
16 quite a strong current  
17 of water flows across the  
18 West end of said land  
19 and that said proposed  
20 road when opened will  
21 necessarily have to be  
22 graded across the same  
23 that this will destroy the  
24 turf or sod and cause  
25 the current in high water  
26 to cut wash away and  
27 destroy claimant's lands  
28 & need so to his dama-  
29 ge in the sum of \$500<sup>00</sup>

30 That claimant will be  
31 damaged by the establish-  
32 ing & opening of said road  
33 across said land in  
34 the sum of \$1075<sup>00</sup> as aforesaid

Therefore claimant asks  
that his damages to said  
land be assessed and  
paid before said road  
is established as a  
public highway and  
that he be allowed as  
damages the sum of  
\$1075<sup>00</sup>
