We the undersigned taxpayers and residents of Union County being informed that a petition has been presented to the County Court of Union County Oregon asking for the construction of a county road which petition in substance reads as follows,-

"Commencing at a point 110 Rds west of the NE corner of Sec 34 Twp 2 N R 40 E W M about 30 rds west of what is known as the Sam Thompson house thence running south along the east side of the canyon a distance about one and 1/8 mile to the residence of Geo Yarrington, thence southeast following the canyon along the most practicable route a distance of about 3/4 mile to the highway terminating on said highway at a point about 5 rods below the Matt Boswell barn the road to be 50 ft wide, a public necessity for this road exists in that it will afford a better grade than now in use and will also afford five miles more of highway for public travel."

do hereby remonstrate against said petition and against the construction of said road in that it is unnecessary, unuseful and would be used by very few people and is a duplication of a road which at present parallels the proposed road about 1/4 mile to the east which serves the same people and with but little expense the present road could be repaired into first class condition to handle the loads of traffic originating from the section served, and we believe the proposed road wholly unnecessary and an extra tax burden upon the residents of Union County and that we are taxpayers and residents of the immediate vicinity of said petitioned road.
