REPORT OF BOARD OF COUNTY ROAD VIEWERS.

TO THE HONORABLE COUNTY COURT FOR UNION COUNTY, OREGON:

The undersigned Board of County Road Viewers, heretofore on the sixth day of December 1923, instructed to view, lay out and alter the proposed county road, of which the survey hereto attached is a true and correct description, as petitioned for by Tom Marks

et al., beg leave to report that on the 18th day of December, 1923, in pursuance with said order, we proceeded to view out said proposed road for the whole distance thereof, and that in our opinions said proposed road should not be laid out nor established as a public highway of Union County, Oregon; that the same is impracticable and would add nothing

to the convenience of the householders residing in the vicinity thereof. We therefore recommend that said proposed road be not laid out nor declared a public highway of said county for the reason that it is not on the best grade or alignment obtainable; To properly construct it would involve an unjustifiable expenditure, without commensurate benefits.
