

NARRATIVE

This survey was requested by Marion Brogittl to establish the boundaries of lots 6 and 7 of block 2 Helsom's Addition. I located the corners set by McClain in the 1922 remonumentation of La Grande in North 4th and the centerline of Birch and the North line of Chaplins Supplemental Addition and proportioned the Corners of Helsom's Addition in to place. I proportioned the North line of Helsom's Addition by locating the 1/16 line at North Depot and proportioned the corners in for Helsom's Addition. I then proportioned the corners of lots 6 and 7 in by normal proportion methods between the corners of Helsom's Addition.
