### NARRATIVE

This survey was made at the request of George Aiken to locate the parcel hereon shown. Surveys made subsequent to Survey Number 44-76, as shown in the reference material, have established the exterior lines of Section 28. These were used to break out the North half of the Southeast quarter as shown. Deed calls were then followed to establish the parcel as shown. Deed calls in the said Southeast quarter are harmonious with one another although the fences vary somewhat, as shown.
