

### BASIS OF BEARING

The forward bearing as published by U.S.C. & G.S. from  $\Delta$  College to  $\Delta$  Valley

### NARRATIVE

This survey was done at the request of Carol Wimer, who wanted to separate the parcels as shown. I based my breakdown of Block 3 on Survey Numbers 43-80 and 67-80, in which all of the block corners were found. I pulled the North pins of Survey Number 43-80 to avoid confusion. I found no other unusual conditions.
