NARRATIVE

This survey was ordered by Susan Hutson, personal representative of Georgia Crompton.

I was instructed to separate the two parcels at the driveway which was 49 feet wide, giving each parcel half width. I was to survey North from the Section line 500 feet. These parcels were part of the Ida A. Putnam estate, and the property to the North was still remaining in the estate. I gave full measure to the property to the East and West of the Putnam land, as they were senior to the Crompton parcel. I then proceeded along the South line of Section 10, to the points shown on my map of survey. I found an unrecorded 1" pipe located West of my Southwest corner. I discussed this with Mrs. Jared Rogers who told me it was set by Ralph Giuffre, who is not a registered surveyor with the State of Oregon. I find no other problems with this survey.

LEGEND

- Found monument of record
- Found unrecorded monument
- Set 5/8" x 30" iron pin with plastic cap marked BGA SURVEY MARKER
- Existing fenceline
- - - Section line
