NARRATIVE

This survey was ordered by Suzanne McKim, Community Development Coordinator, for the Senior Citizens Center. I based my survey on Survey Numbers 60-75 and 108-72. I occupied the 5/8" pin at the Southeast corner of Block 4, sighted the Northeast corner of said block, and projected South, setting the Northeast and Southeast property corners. I then occupied the Northeast property corner and turned in the Northwest corner of the property. I find no problems with this survey.
