- Set 5/8" x 30" iron pin with plastic cap marked BGA SURVEY MARKER
- () Record distance
- Centerline
- Existing fenceline

NARRATIVE

This survey was ordered by Gordon Schaad. Mr. Schaad pointed out on the ground the North line of the South parcel to be divided off. I based my survey on survey number 13-80, which located Block B of New Haven Addition. I recovered the monuments set by survey number 73-76 and find very little difference with my positions. I did not reset the pins into position. I find no other problems on this survey.
