

NARRATIVE

This survey was ordered by Tom Kohr. I base my survey entirely on survey number 25-84 which established the exterior of the parcel shown. I was instructed to survey a parcel with 130 feet of frontage with the East line being parallel to the West line as established by survey number 25-84. I find no problems with this survey.

BASIS OF BEARING

Forward bearing as published by U.S.C and G.S. from Δ College to Δ Valley 1946
