

### BASIS OF BEARING

The East line of the Southeast quarter of Section 29 as being South 0°15'05" West as per survey number 1-81.

### LEGEND

- Found aluminum monument set by survey number 1-81
- Found monument as described
- Set 2 1/2" x 30" aluminum pipe with aluminum cap at position determined by survey
- ( ) Record bearing and distance of survey number 33-79.
- Existing fence line

### NARRATIVE

This survey was done at the request of Chuck Sarrett, representing Boise Cascade Corporation. The purpose of this survey was to locate and monument the Southeast 1/16 corner of Section 29. I base my survey on survey number 1-81, which located the controlling corners of the Southeast quarter of Section 29. I find an existing East-West fence line 96 feet North of the true 1/16 corner position. I find no other unusual conditions on this survey.
