NARRATIVE

This survey was ordered by Bonnie Frank of Oregon Realty on behalf of GTE Northwest, Inc. Our instructions were to survey and monument a 30.00' by 30.00' easement for the purpose of installing telephone equipment in Section 33, T 2S, R 39 E of the Willamette Meridian, adjacent to the south right of way line of Standley Lane. I base my survey on previous Union County Survey No. 16-86 which locates the E-W center line of said Section 7 which is also the center line of Standley Lane. I found the East and West 1/4 corners of said Section 7. I placed this easement adjacent to the South Right of Way line of said Standley Lane. A title search was ordered and revealed no conflicts on the surveyed parcel.
