NARRATIVE

This survey was ordered by Steve McKay of Northeast Oregon Housing Authority. Mr. McKay requested that the North 250 feet of the tract surveyed by survey no. 43-88 be monumented. This piece of the tract is being surveyed because of a mortgage that it will be under. No transfer of title of the land is planned to take place. This survey is based upon the found monuments from surveys 43-88 and 2-82. The pins at the North end of this tract are offset 10 feet Southerly from the right of way of May Street.
