### NARRATIVE

This survey was done at the request of Steve Gurnsey, on behalf of Boise Cascade Corporation, to determine positions of the South 1/4 corner and the Center North 1/16 corner of Section 17. No evidence was found at the South 1/4 corner. I set these corners by standard proportion from the found monuments. The existing fence lines are away from the true section lines as shown. I find no other unusual conditions on this survey.
