**NARRATIVE**

This survey was done at the request of Dr. Joel Rice and the Natural Resources Conservation Service. Dr. Rice and the N.R.C.S. wanted to monument and post the Wetland Reserve Easement boundary on Dr. Rice's property. I located the property lines by using a previous Survey 26-2002, for Boise Building Solutions. The Easement boundary was marked by Dr. Rice and Alan Bahn of the N.R.C.S. I placed monuments at these marked locations on the west line of the easement. The North, East and South lines of the easement were determined by Dr. Rice's ownership lines located by said survey 26-2002. I find no unusual conditions on this survey.
