- ⊙ Set 5/8" x 30" iron pin with 2 1/2" aluminum cap
- Existing centerline
- x- Existing fence
- Posted line
- Easement

NARRATIVE

This survey was performed at the request of Mary VanDeWalle. Ms. VanDeWalle wished to monument the boundary of her land and post the East boundary. The North and West lines are located on an aliquot break of Section 4, Township 2 South, Range 38 East of the Willamette Meridian. The East line was determined by Survey No. 020-1998. The South line was determined by Survey No. 042-1999. I accept the location of these lines as per said survey. The fences are away from the true property lines as shown. I find no other problems with this survey.
