NARRATIVE

This survey was ordered by Lloyd Clark. The purpose was to adjust the lot line to include improvements benefitting Mr. Clark's property. An old fenceline, since partially removed, was agreed on by Mr. Clark and the Botz's to be the dividing line for the lot line adjustment. The fence was tied in survey 015-2003 and the West pin set at the intersection of the West line of Botz's property and the fence. I see no unusual conditions with this survey.
